

| Nerve Stimulated | Peak | Generator | Vascular | Montage | Left PTN | Right PTN |
|------------------------|--------------------------------|--|---------------|-----------------------------------|----------|-----------|
| Posterior Tibial Nerve | P37, N47 | Contralateral medial somatosensory cortex | ACA | Cz'-Fpz | | |
| | | | | (Left) Cz'-C4' (Right) Cz'-C3' | | |
| | | | | C3'-C4' | | |
| | P31, N34 | Caudal medial meniscus (far field signal picked up on Fpz) | Basilar | Cs3-Fpz | | |
| N9 | Tibial Nerve propagated CNAP | Femoral | PFd-PFp | | | |
| Median and Ulnar Nerve | N20, P23 | Contralateral somatosensory cortex (post central gyrus) | MCA | C3'-C4' | | |
| | | | | (Left) Cz'-C4' (Right) Cz'-C3' | | |
| | N18 | Upper brainstem/thalamus (far field signal picked up on Fpz) | Basilar | Cs2-Fpz | | |
| | P14 | Caudal medial meniscus (far field signal picked up on Fpz) | | | | |
| | N13 | Nucleus cuneatus (upper spine) | PICA | | | |
| | | Stationary post-synaptic response (lower spinal cord) | Spinal artery | | | |
| N9 | Bracial Plexus propogated CNAP | Subclavian | L-R Erbs | | | |
